

Jim Reincke, A.S.P.

Automotive Sales Professional

Jim is definitely not your stereotypical car salesman, Jim's background as a **17-year veteran** of the **hospitality sales and marketing** industries, lends itself well to the automotive industry. With International successes, Jim has been trusted by Fortune 500 and 'Mom & Pop' companies alike for his honesty, insight, knowledge, and ability to **work for his clients**.

In addition to national and international recognition for service and hospitality performance, Jim has received Certification and **Master Certification** in Automotive Internet **Sales Management**. He continues to study automotive sales and marketing trends in an ongoing effort to help make your next vehicle purchase a **pleasant experience**.
